## Uniform

Thank you to all families who supported us by supplying school uniform which we sent to the Gambia. It has supported over 300 pupils in many schools and sports clubs!

## Internet Safety

Thank you for all the parents who attended our internet safety meeting last month and have continually supported us through last month's Whatsapp, TikTok and "Momo" issues. All the pupils have been taught how to deal with such issues sensibly.

## Y4/6 French Café (14 Feb)

On 14<sup>th</sup> February we ran our French café for Y4 and Y6 pupils who have been learning to order food in French. 6H also learned about the business of running a café and how to make a profit. Some pupils now plan to buy a café in Paris as soon as they can...

## Mayoral Visit

The Mayor spent a morning with the school last month. The children learned so much about his life and his job!

## English Hub

We are one of 32 English Hub schools in England. This is a great honour as we are able to work with so many schools to share the best ways to support children with reading and writing. Our first lead day was a success – our KS1 pupils showed school staff from all around the North of England how good they are at learning phonics.

## Firefighters!

Superb work from our Y4 firefighters! A group of Y4 volunteers spent time in the half-term holidays undertaking Fire Service Training, including drill work, ladder work and using the really powerful hoses. They even taught us all about it in assembly this week too!
