

Dear Parents and Carers,

We are aware that you will have received communication regarding your child's self isolation period. Due to staff capacity during this period, we are able to provide intervention groups in addition to the usual online resources, live teaching and well being resources.

Below is the timetable which every child will be accessing each day. In addition to this, Google Meet codes will be sent for specific children throughout the week. These will be assigned to the individual children using the Google classroom platform, they will be set as an assignment with instructions of how and when to join. This is a replica of the provision that we provide for children when they are within the academy.

The Google Meet code is the same (apart from Miss Cleasby's reading group and interventions) and can be found at the top of the Google Classroom page:
