Ofsted Celebrations

Dear families,

Following our recent outstanding Ofsted inspection, we would like to have a celebration day on Wednesday 19th July as a thank you to all our children and staff.

Our School Parliament asked each class to create a wishlist of what they would like to do and the majority of votes went to a non-uniform day, games/activities on the field and an ice-cream van.

We are pleased that our PTFA has offered to fund this and each class will have an opportunity to access the new games and activities and enjoy an ice-cream or ice-lolly across the day.

We also invite everybody to be in non-uniform on Wednesday.

I am sure you will join us in thanking the PTFA for helping to facilitate our children's chosen celebration activities and to celebrate everything that the whole Outwood Primary Academy Lofthouse Gate community has achieved!

Warm regards,

Mr Vickers
Lead Principal
