

Tuesday 7th February 2023

Dear parents/carers,

As you will be aware, each half term the children complete part of the Outwood Primary Diploma. The topic for next half term is 'Have High Aspirations and Skills for Adult Life'. As part of our Diploma work, the children will be taking part in a careers event on **Friday 24th March, 1.30-3pm**. During this event, our children will get the chance to talk to a variety of professionals and find out more about their jobs and ask any questions they have.

We would love to involve our families and communities in this. If you would like to be part of our careers event and talk to the children about your career, please use the Google form below to register your interest. If you have any family members who are not a direct parent or carer who may be interested, please do forward the link to them.

<https://forms.gle/hFsPZuPhQv2Ppeq1A>

Last year's careers week was a huge success and we are so looking forward to inviting more parents/carers to the event this year to help our children prepare for their futures.

Thank you so much for your continued support.

Kind regards,

Miss Clark
