

Dear Parents/Carers

Year 2 Diploma

Usually we would be holding a 'One Big Coffee Morning' to say thank you to people in the local community. However, due to restrictions we are needing to adapt this year.

Instead, we have decided to rename the event 'Hampers for Heroes' and donate a food hamper, cards and pictures and present these remotely. The children will prepare speeches to thank organisations who they feel have made a significant contribution to the local community through this year's lockdown.

School Parliament have also been involved by suggesting names of organisations which 2P and 2C will collectively decide to choose.

We are asking for a monetary donation of a £1.00 but any contribution you could make would be fantastic. This can be payable through ParentPay under Hampers for Heroes until the 21st May.

Thank you

The Year 2 Team
