

Dear parents and carers,

As part of our Geography topic, 'Our Local Area' and our Science topic, 'Plants', we would like to take both classes on a walk to the Co-op in Outwood. This visit will involve the children using their maps to direct them to the Co-op. We will also be finding and naming local plants.

The local visit form completed when your child started at OPALG covers this, but we wanted to let you know when the walk was taking place.

IM

Date: Monday 4th October
