### **Celebration Assembly**

Dear Parents and Carers,

We are thrilled to see so many parents and carers sharing their child/children's achievements on Twitter. It brings us great joy to feature these accomplishments in our termly curriculum newsletter and our termly out-of-school achievements assembly.

In order to ensure that every child's achievements are celebrated in our out-of-school achievements assembly, we kindly request your assistance.

Could we please ask that you send a photo, along with a short description, your child's name, and their class if you wish for their achievement to be celebrated across the academy?

This could encompass a range of successes, including sporting triumphs, personal achievements, charitable endeavours, or anything else your child is proud of.

If you could please email the details to [enquiries@lofthousegate.outwood.com](mailto:enquiries@lofthousegate.outwood.com), we will ensure that it is shared during our next out-of-school achievements assembly in summer 2.

Thank you for your support and for helping us celebrate the achievements of all our pupils.
