

1 November 2021

Dear Parents and Carers

Bonfire Night – RB and RSS

As part of our new topic ‘Festivals and Celebrations’, the children will be celebrating and learning about Bonfire night this week. We will be telling the children about what happens during bonfire night and how to keep safe. To bring our learning to life, we will be making and eating edible sparklers using breadsticks, milk chocolate and sprinkles.

If you **would not** like your child to take part in this activity, please return the slip below to your child’s class teacher by no later than Wednesday 3 November 2021.

Thank you

Reception Team
