NURSERY NEWSLETTER

Hello Again!

We're finding it hard to believe that Easter is almost upon us! I'm sure, like us, you're looking forward to warmer weather, family fun time... and of course

All Back Together 😊

The full re-opening of school has been a great success due to the hard work and planning of Mrs Hadfield, Miss Cleasby and many others.

I would like to thank again all our Nursery parents, who are always so vigilant of the social distancing rules, when dropping off and collecting children.

We will be welcoming new starters after the Easter break to both the morning and the afternoon sessions. This means that our morning session will be running at full capacity (39 children) so we ask for your continuing patience at these times.

Belongings

Could you please ensure that all your child's belongings (clothing and anything else they may bring into Nursery) are clearly named.

As you can appreciate, with an increasing number of children and warmer weather, this means children are taking off cardigans and jumpers. Items of clothing can easily go astray or get mixed up so having them clearly named really helps. Should your child arrive home in another child's item of clothing then please return it the next day and inform a member of staff – thank you!

Parent Consultations

Thank you to all those who signed up for our Google Meets. We found it an invaluable and enjoyable experience being able to talk 'face to face'. Always remember, we are here to help!

Twitter

We really enjoy sharing the children's learning environment and activities we do in class with you via Twitter. We update this regularly throughout the week to keep you up to date with what is going on in school and to celebrate our Stars of the Week. Don't forget to post your own tweets too!

@OPALG_N2021

Stories From Around the World

Our theme this half term is 'Stories from Around the World' and we are looking forward to sharing some exciting stories, old and new.

We will also be talking about different countries, environments and cultures as well as thinking about the similarities and differences between ourselves and other children around the world.

Our role play is going to be an 'African Adventure' (please don't tell the children!)

If you have anything that you think may be of use or the children might like to look at, please let us know. Similarly, if the children have any photographs of foreign holidays they would like to share we would love to see them (although we will be jealous!)

Reading

Books and Stories are invaluable to learning!
Next half term our favourite 5 will be:

We're Going on a Lion Hunt
Handa's Surprise
Anansi the Spider
Giraffes Can't Dance
Rumble in the Jungle

If you get the chance to share any of these fantastic books with your children at home, please do so!

Thank you, as always, for your continuing and invaluable support.

Have a restful and enjoyable Easter!

The Nursery Team
