Dear Parents/Carers,

We are writing to you to inform you that a child in class 2P next year has severe allergies. Because of this, we cannot allow children to bring certain products into school or in their pack lunches.

Please do not send any products containing the following;

- Nuts
- Seeds
- Egg (eg. Egg Sandwiches, boiled eggs)
- Cereal (Cereal bars)

Please can we ask parents that if children have any breakfast before school, that may contain the above products that they wash their hands after eating and similarly all children will wash their hands after their dinners so we can ensure that there is minimum risk for this child. Please note with this allergy it is airborne.

If you have any further questions regarding this, please don't hesitate to speak to a member of the Year 1 team.

Thank you for your co-operation.
