

Wednesday 24th April, 2024

Dear families

Year 3 Intergenerational Skills Exchange

We would be delighted to invite you to our 'Intergenerational Skills Exchange' on Wednesday 8th May as part of our Outwood Primary Academy Diploma this half term.

We will be focusing on the skill of sewing, linking to our DT unit 'purses and wallets'. The event will be held at 9am-10am within the academy.

Please complete drop off as normal then enter through the main office entrance (you will be greeted by a member of the Year 3 team). After the event the children will return to their classrooms for the remainder of the day.

We will be providing all materials needed to complete this event. We will be offering water, juice, tea and biscuits for all to enjoy during the event. If any children would like to bring a voluntary contribution of baked goods such as cupcakes, cakes or biscuits, please speak to Miss Holmes / Mrs Jagger or Mrs Barker prior to the event.

It is really important that a full list of ingredients is provided if you bake these yourself. The baked goods should contain no nuts as we are a nut free school and have children that have severe allergies. Unfortunately, any items containing nuts or traces of nuts cannot be shared.

We look forward to sharing this event with you!

Kind regards,
Miss Holmes, Mrs Jagger and Mrs Barker (Year 3 Team)
