Clothing Donation - Friday 31st March

Dear families,

Following a suggestion from Mrs Clamp (one of our academy council members), our School Parliament would like to support our local clothing bank.

The Clothing Bank's aim is to, 'Stop clothing poverty in our communities, we take donated clothing and pass it on to those who are struggling to afford everyday clothing. By all coming together, we can end clothing poverty in the UK. Our help has no boundaries. If you need help, we will help'.

Please see the website for further details: <https://theclothingbank.org.uk/>

If you are able to donate any clothing (see the items needed below), then please bring them into the office on **Friday 31st March**. Miss Cleasby will deliver these to the donation point on behalf of OPA Lofthouse Gate during the Easter holidays.

Thank you in advance for your support,

School Parliament, Miss Cleasby and The Clothing Bank
