Read With Me

Dear Parents/Carers,

We are delighted to invite our parents and carers for monthly reading sessions again this month. We aim to provide an opportunity for your child/children to share their love of reading with you and for us all to work towards having a positive attitude and culture with reading.

Regularly reading for pleasure with our children can have a huge impact on their education and mental wellbeing. It has astonishing benefits for children: it builds self-esteem and their knowledge of new words, develops creative skills and can even improve their sleeping patterns.

This read with me session will focus on building **comprehension** skills alongside fluency. The children will work with parents to read a text and use it to answer written questions. This will give children the chance to show parents the skills they have been working on during guided reading sessions.

We would love for parents and carers of children in 2P & 2C to join us on:

Wednesday, 26th April, 2023 at 2.45pm.

The school gates will be open early on this day and a member of staff will meet you at your child's classroom door.

We look forward to seeing you and your child's love for reading grow.

Yours faithfully,

Miss Park and Mrs Carr
