

Nursery Staff

Mrs Harrison: Teacher (Monday to Thursday)

Mrs Earnshaw: Teacher (Friday)

Mrs Naylor: Nursey Nurse

Hello

A belated 'Happy New Year' to you all!

It's been a great start to the year - our new children are all settled, happy and extending their learning every day - a big 'Welcome' to our new morning and afternoon children (and their Parents/Carers).

Theme/Topic

We have been exploring many different aspects of 'Caring for Animals'.

The 'pets' in our Home corner have been receiving some excellent care and the children have really enjoyed sharing information about their own pets with us.

We are making our own pet homes and the children have been developing and using many different skills - thinking about size, attaching, cutting and decorating. The results are looking good!

Twitter X

Don't forget to keep checking Twitter each week!

@OPALG_N

Don't forget to tweet your child's achievements at home also!

Diploma work

As part of our work on 'Protecting and Respecting the Environment' we had a visit from Julia at 'Prickly Edge Hedgehog Rescue'.

She told us lots of important things about different hedgehogs, how they felt, what to do if we found a sick hedgehog and how to keep our gardens safe for hedgehogs and other wildlife.

Next Half Term

Our theme next half term is 'How does your garden grow' and we will be exploring lots of different plants and how they grow.

We are hoping to do lots of planting with the children both, indoors and outdoors, so if anyone has any unwanted bags of compost or small plant pots they would be most gratefully received!

Reading

Our favourite 5 books next term are

Jack and the Beanstalk

The Little Red Hen

Oliver's Vegetables

Jasper's Beanstalk

The Very Hungry Caterpillar

All are lovely books and well worth sharing with your child!

Many thanks, again, for your continuing support.

The Nursery Team
