Y4 Local Walk

Dear parents and carers,

Year 4 will be going on a local walk to Outwood train station as part of their diploma work this half term, which focuses on rail safety.

The walk is taking place on Thursday 30th November during school hours in the afternoon between 1pm - 3pm.

The local visit form completed when your child started at OPALG covers this, but we wanted to let you know when the walk was taking place.

Children will need to make sure they come to school with a warm coat, and other suitable clothing depending on the weather that day such as hats, gloves and scarves as unless the weather is truly terrible, we'll endeavour to go! Children need to come to school in their normal school shoes, but can bring a pair of comfy shoes to change into before the walk.

Thank you for your cooperation,

Miss Clark & Miss Hand
The Y4 Team
