

NURSERY NEWSLETTER

New Starters

All our afternoon new starters are now happily settled into Nursery. They are making new friends and loving their learning! This is lovely to see and has been supported immensely by the fantastic attitude of our existing children! Well done everybody 😊

Twitter

Welcome to all our new parents and carers! We love to share our children's learning and experiences with you and our Twitter page is invaluable for this. If you have not already done so then please apply to join, ensuring that the staff are aware of your Twitter name.

@OPALG_N2122

Please don't forget to tweet your child's achievements at home – we love to see and share this with the children.

Tadpoles!

The children have been fascinated by watching the development of our tadpoles and check every day for changes! We're almost there!

Parents in Nursery

Please be aware that you are welcome to come into Nursery at the beginning of the session with your child/children. However, if you feel your child is comfortable with coming in alone, then please allow them to do so as this is good practice for transition.

Role Play

Our role play next half term will be based around a 'Under the Sea/Seaside' theme. If you have anything you feel might be of use, it would be gratefully received! We are in need of children's sunglasses, sun hats, flippers, snorkels, unwanted beach towels etc. We also need old purses or small shopping bags.

A few reminders

All items of clothing and footwear need to be clearly named. We hand out book bags and water bottles to the children at the end of the session, so they are ready when you collect them. Could you please ensure that they are all named, as it makes the process so much quicker! May we also remind you that water bottles should contain only plain water. Thank you.

Our Sharing Tree

Our sharing tree is celebrating the Queens Jubilee. The first flags made by your children have been brought into Nursery and are fantastic – keep them coming please!

Reading

At OPA Lofthouse Gate, as you know, we love to read and have a huge emphasis on 'reading for pleasure'. Next term our favourite 5 books are;

Tiddler

The Rainbow Fish

Sharing a Shell

Can You Catch a Mermaid?

Barry The Fish With Fingers

All wonderful books to share at home!

Many thanks for your continuing support,

The Nursey Team
