

## Interest Clubs OPALG 2022 - 2023

### Extra information:

Please be aware this is a proposed plan for the year. Clubs, days, and/or staff may change or not be able to take place due to given circumstances.

There also may be more clubs added throughout the year.

Reception clubs will not take place during Autumn term and will be available in 2023.

### **New from September:**

Google forms will be emailed out to parents/carers to sign up their child/children for an interest club.

The Google form creates a document which shows responses in time order.

Places will be allocated on a first come first serve basis, in the first instance.

We will keep a log of all children attending after school clubs to try and ensure that places are offered to as many children as possible.

Parents/carers will receive a text to confirm that their child has a place.
