Dear Parents/Carers

We are pleased to announce that OPA Lofthouse Gate is a 'winning' school for the ISpace Young Fire Fighters programme. Please note this course is open to children aged 8+. The course is a very popular, high energy, physical activity run by a current fire-fighter and a member of the Youth Fire Intervention Team, 2 members of the ISpace staff will also be there to support. On the final day of the course, there will be a pass out parade whereby the children will show off what they have learned in full kit and use of the fire equipment. Parents will be invited to this.

Please note there are only 10 places available. If you would like to express interest and reserve a place please complete the google form on a link that will be emailed out at 6pm today.

Kind regards

Mr Vickers
