

15th July 2022

Dear parents and carers,

I wanted to write to you to reassure you regarding the hot weather we are forecast for next week. We have amended the school timetable to ensure that children are not spending prolonged periods of time outdoors during break and lunchtime. We will also be amending our PE timetable during this period.

Children will have their water bottles on their desks, rather than at the class water station and they will be encouraged to drink regularly throughout the day and refill their drinks when needed.

Assemblies will be cancelled during this period. Children will be allowed to wear shorts along with the school uniform t-shirt. Y6 leavers assembly and events are still due to take place. However the annual water fight on Friday will now be cancelled.

I will be keeping the Foundation Stage sports day, due to take place on Tuesday morning, under review. Unfortunately we have made the decision to cancel the Nursery sports day scheduled for Monday. I sincerely apologise for this and will aim to communicate with you at the earliest opportunity a proposed new date.

Can you please support the academy by ensuring that you send your child:

- wearing suncream
- with a water bottle
- a sun hat

Many thanks for your cooperation and support,

Mrs L Hadfield
Principal
