

NURSERY NEWSLETTER

Another half term almost over!

The children have so many positive learning experiences this half term and they are thoroughly enjoying their learning about dinosaurs!

They have loved learning about the jungle environment and recreating it in lots of areas of their learning.

Theme

Our theme next half term is 'How Does Your Garden Grow?' The children will be exploring planting and growing, mini beasts and life cycles. Our roleplay will be a garden centre.

If anyone can help us with any of the following, we would be extremely grateful!

- Small plant pots and compost
- Seed packets and gardening magazines
- Artificial flowers
- Children's gardening gloves and tools

Anything that you think might enhance our role play area and can be used both indoors and outdoors. Thank you in advance

Twitter

We really enjoy sharing the children's learning environment, and activities we do in class with you via Twitter. We update this regularly throughout the week to keep you up to date with what is going on in school.

Don't forget to post your own tweets too.

Please ensure we have received your completed Twitter forms as we cannot accept follower requests without them

@OPALG_N2122

Remember to keep those 'Reading for Pleasure' pictures coming – they really are delightful!

Reading

At Lofthouse Gate, as you know, we love to read and have a huge emphasis on 'Reading for Pleasure'. A reminder that next term our favourite 5 books are:

Jack and the Beanstalk
Jasper's Beanstalk
The Very Hungry Caterpillar
Grandpa's Garden
Oliver's Vegetables

They are all timeless and invaluable stories and made for sharing!

Our Sharing Tree

Our sharing tree this half term has been a great success - one of the best ever! Thank you for working with your child at home and sharing it with us. The children have loved describing their food creations and watching as the tree grows.

We hope you liked your little Valentine love bugs.

Thank you to all that were able to join us for our Valentine's singalong too – the children were superstars!

We hope you have a great half term and we look forward to seeing you Monday 28th February.
