

February 2024 - Nursery

Hello

We've almost made it to spring and have lots of exciting things coming up.

Theme/Topic

We have started our new topic 'How does your garden grow. The children have enjoyed looking at different parts of a plant and thinking about what plants need to grow. We will be planting daffodils this half term and painting a beautiful garden scene – we can't wait to see the final projects!

Twitter X

Don't forget to keep checking Twitter each week to find out what we get up to and who our amazing star of the week is.

[@OPALG_N](https://twitter.com/OPALG_N)

Please share with us all your achievements and activities from outside of school as well. We love seeing what you all get up to when we're not together!

PE with Trinity

We have been having very exciting PE sessions with Trinity on a Monday. We have been learning a dance to Lion King and have needed to use different body parts to do the actions. It has been a lot of fun!

Easter workshop

We are very egg-cited for our Easter workshop! On Friday 15th March at 10am and 2pm you are invited to join us for Easter craft activities and an egg hunt! Grown ups and younger siblings all welcome.

Read with me

Our read with me sessions happen on a Tuesday at 11.00 and 2.45. These have been such lovely times to see children share books with a grown-up. Thank you to those that have joined us already.

Reading

Our favourite 5 books next term are

Jack and the Beanstalk

The Little Red Hen

Oliver's Vegetables

Jasper's Beanstalk

The Very Hungry Caterpillar

Some great stories to share as a family too.

Thank you so much for all your support.

The Nursery Team
