

Friday 26th April, 2024

Dear parents and carers,

Year 2 DT learning – Healthy Breakfast 22nd and 23rd May

As part of our DT learning this term we have been focusing on healthy options for breakfast in our design technology lessons.

We have looked at where our food comes from, the journey it takes from farm to fork and ways we can improve our diet using the Eatwell guide to help us.

The children have designed and planned a healthy breakfast that they would like to have a go at making within school so they will know what kind of fruit they will be needing in their recipe.

If you are able to donate items to contribute to making these breakfast meals we would be very grateful. We are looking for donations of:

- Strawberries
- Bananas
- Grapes
- Cherries
- Apples
- Oranges
- Pineapple
- Raspberries
- Blueberries
- Blackberries

If you are able to offer any donations please could these be brought in by **Tuesday 21st May 2024** as we will be making these on the Wednesday and Thursday afternoons.

Kind regards
Miss Park and Mrs Carr
Year 2 Team
