

19<sup>th</sup> January, 2023

Dear families,

This year for International Book Giving Day we are wanting to make a difference in our local community. International Book Giving Day takes place on 14<sup>th</sup> February each year. The aim is to get books into the hands of as many children as possible.

The Reading Ambassadors have decided that they want to put a smile on children's faces who need it the most; those that are currently in hospital. As the date is in half term we will be gifting these when we return from half term.

We really appreciated your continued support in keeping our book donation point in school stocked up to enable children to choose books to read for pleasure. If you have any donations of children's books or adult books that are in good condition to be able to gift these to Pinderfields hospital as part of International Book Giving Day it would be extremely appreciated.

If you are able to help with book donations please send these to school by Monday 6<sup>th</sup> February, 2023 so that the Reading Ambassadors are able to wrap these ready for delivery.

Kind regards

Miss Park  
English Lead
