What's happening?

We are busy planning for the festive season. Personalised Christmas cards were commissioned by the PTFA, this raised a fantastic £481.82. We hope you all love your purchases! We have just purchased a new Christmas tree for the school hall, we look forward to seeing it decorated.

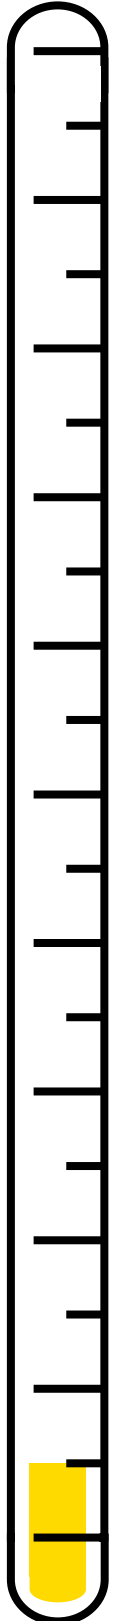

We have been spending some time planning the stalls and resources needed for the Christmas Fayre, this will be the first time we have run the Christmas Fayre since pre-covid times (2019), it's a big-ticket fundraising event, historically very busy and loved by parents and children!

'Reading Sheds' have recently been funded by the PTFA, there will be three placed in the outdoor provision of each key stage over the coming weeks – look out for these being set up! We also fund activities to support the curriculum, most recently with the purchase of Sparkyard, a specialist platform which will provide the school with a wealth of interactive musical resources.

Our next meeting is on Friday 01.12.2023 at 3:30pm at the school. Please come along, children welcome.
