

# March 2024 - Nursery

## Hello

We've had a very busy but brilliant half term. Here are some of the things we have got up to.

## Topic

We learnt the names of different parts of a flower and thought about what they need to grow. We planted daffodil bulbs and made sure they had plenty of water and sunlight.

## Project

This half term we have created a garden scene painting. We experimented with colours and tools to make different effects. We used powder paints and lots of water to make our colour wash background and then used things like toothbrushes, cotton buds, lollipop sticks and forks to paint our flowers.

## Easter workshop

We had a marvellous time at our Easter workshop. We all created an Easter hat and had a special visit from the Easter bunny. He kindly left us some treats and some muddy pawprints!! Thank you to the grown ups who joined us.

## Read with me

Next half term our Read with me sessions will be happening on a Thursday. These sessions happen at 11am and 2.45pm. Thank you to those that have been joining us. They've been great sessions.

## Next half term

Next half term we are going to be sharing life stories and talking about exciting experiences the children have had like Christmas and holidays. If you have any pictures that could help the children talk about these events please share them on twitter or bring into nursery. Thank you.

## Reading

Our favourite 5 books next term are;

The Gingerbread Man

Farmer Duck

The Tiger Who Came to Tea

Giraffes Can't Dance

Handa's Surprise

These are great stories that you could share together with your family at home.

Thank you so much for all your support and have a wonderful Easter break.
