Important Information

- Students will need to make their own way to OGA and arrive between **9:15** and **9:30** at the main gate. Parking will be available on the bus park.
- Students will need to be collected or make their own way home at **2:00**. Parking will be available on the bus park.
- Students will need to wear their own school uniform.
- Students need to bring their own pencil case and own water bottle.
- Students will need to bring their own packed lunch with them. We will provide a grab bag for those students who receive Free School Meals.
- Students who require an inhaler or an epipen will be advised to keep this on their person.
- Where students require daily medication, parents will need to come to OGA to administer this, unless there is a member of staff with them who would normally administer medication.

Usually we would also have a Transition evening for parents at the beginning of July. As it stands at the moment, we will not be able to have this in the same format. We fully understand that parents also want to look round OGA and this situation may change moving forwards.

If you have some information you would like us to know about your student before they come and visit OGA, please email transition@grange.outwood.com

Thanks in advance for your continued support
