

# NURSERY NEWSLETTER

## Hello!

What a busy and productive half term it has been. The children have been engaged in their learning, made great progress...and had fun!

## Theme

The children have really enjoyed our theme of, 'Familiar Environments'. They have spoken so confidently about their own homes and gardens and have loved being 'explorers' around our own school and gardens.

## Project

Our project of 'Portraits' has also been a great success. We have looked carefully at the different features of our face and thought about the best way of drawing them.

We have some fabulous little artists!

We have created faces using all sorts of media – play dough, collage, paint, felt pens and charcoal.

## Celebrations!

Next half term, we are learning about different celebrations we all share. We would like each child if possible to bring into a Nursery a picture from their last birthday and tell us about their favourite present, thank you

## Read With Me

An enormous 'thank you' to all who have been able to join us with our reading sessions. This is something new to nursery and we are loving it!
