## **Relationships, Sex and Health Education**

Dear Parent/Carer,

As part of your child's education at Outwood Primary Academy Lofthouse Gate, we promote personal wellbeing and development through a comprehensive Personal, Social, Health Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy productive lives and meet their full potential.

All topics covered in the sessions are specific and relevant to the age and development of children and much of the content is what is required by the National Curriculum for Science.

As we are aware that this may be a sensitive area for some, we are notifying you now that your child will be focusing their learning in this area.

This will be on **Friday 23rd February 2024** and will focus on 'Conception and Pregnancy'.

If you wish to withdraw your child from this session, we ask that you contact school to inform us of the reason.

If you have any further questions, please contact the academy to speak to your child's class teacher to discuss the lessons and content.

Thank you for your cooperation,

The Year 6 Team
