Dear Families

European Day of Languages

On Sunday 26 September, it is the European Day of Languages. This was introduced in assembly last Friday by Mrs Mahmood, where both staff and children spoke in different languages. As an academy, we will be celebrating the European Day of Languages on Friday 24 September.

Languages play a key role in being able to socialise and communicate with others. To help children celebrate the day they will be given the opportunity to learn some key phrases in a different language.

The table below shows which language each year group will focus on. As part of this celebration, all children have the opportunity to bring in or wear an accessory (if you wish), that represents their given country. For example, Year 1 could wear or bring in a sombrero hat, bring in a souvenir from Spain, or create their own Spanish flag.

The children will also showcase their new learning in assembly the following week.

Year Group	Language
Nursery	French
Reception	French
1	Spanish
2	German
3	Italian
4	Portuguese
5	Greek
6	Russian

Yours sincerely

Mrs L Hadfield
