

Dear Parents & Carers,

Firstly, I would like to thank you for working with us today during this first day of the national lockdown. We were first made aware of the closure at the same time as the public announcement and therefore whilst things may not have been perfect today, we have worked hard overnight to establish remote learning and onsite education for the children of critical workers and vulnerable children.

I would now like to provide you with additional information in relation to next few weeks.

### **Nursery Provision**

When the announcement was made last night that nurseries would remain open it was unclear that this meant private nursery provision. It did not include school based nursery classes. If we have the capacity to open the nursery then we are able to do this in the longer term. At present, we have capacity to open the nursery class to **vulnerable children and the children of critical workers only**. We will keep this position under review and inform you if we reach a point where we can offer the provision to more children.

### **Critical Worker & Vulnerable Children**

The booking system went live last night immediately after the announcement. We have seen a significant increase in the number of parents requesting places.

Children attending the provision should be booked in using the form or by contacting the academy. If you book a place, we would strongly advise that your child attends school every day for consistency in their learning.

Children should continue to attend in uniform. They should also wear warm layers as windows in school will be open to provide through ventilation.

Please be aware that children will work in new bubbles for the duration of the provision. Once their class fully returns after the lockdown, they will return to their original class bubbles.

The children in school will access the same online teaching as those who are being educated remotely. Where possible, both in school and online learning will be taught by a teacher, alongside the support from HLTAs and TAs.

Start and end times for drop off and pick up will remain for same for each year group.

Should there be confirmation of a positive COVID case within the bubble the contact tracing that we currently engage in will be in action and this may result in the isolation of identified children. At this point any children who have been in school but who have to isolate will engage in remote learning for their period of isolation.

### **Remote Learning**

All children will access remote learning through the Google classroom. You will have been sent a guide on how to log in and access Google classroom earlier today. If you do not have access, please contact the academy as soon as possible.

All children will be expected to engage in the learning. Where work is not submitted as expected, we will contact you to discuss further. If there are things that we can do to support your child accessing learning, please do not hesitate to contact us.

We will be providing a number of live lessons throughout the day. It would be beneficial for your child to attend these but if you are unable to do so, please do not feel pressured - we understand that every household will have their own challenges.

Each school day will begin with live registration and discussion and will then be followed by lessons. There will also be live interactions at the start and end of the afternoon.

The live sessions can be accessed through the Google classroom. Google Meet codes will be sent via your child's Google classroom. They just need to click on the link to access.

Please see an example of a typical daily timetable. Your specific child's timetable will be shared with them in their Google classroom.

09.00	Live Registration
09.15	English Lesson
10.15	Break
10.30	Assembly
10.45	Get Active
11.15	Maths Lesson
12.15	Lunch
13.15	Live Registration
13.30	Curriculum Session
15.00	Class Storytime

Your child will submit work throughout the day which will be marked by the teacher and fed back to them.

### **Free School Meals**

Grab bags are available for any children who are eligible for free school meals but are not attending as part of the critical worker and vulnerable children provision. Please contact the school to arrange to pick these up.

Over the next few days we will move to having a hamper available for these families rather than a daily collection. More information will be shared as we make the arrangements.

Again, thank you for your patience. We are doing all that we can to respond to this new situation as quickly as possible. We are often working through the details at the same time as public announcements are being made and therefore we do not always have immediate answers. We are in this together and we will do everything we can to support you and your children at this key time.

Be kind to each other and stay safe.

Please do contact us if there is anything you wish to discuss further.

Yours faithfully,

Principal
