Dear parents/carers,

As you will be aware, each half term the children complete part of the Outwood Primary Diploma. The topic for next half term is 'Lead a Healthy Lifestyle'. As part of our Diploma we have an exciting opportunity to work with ISS (who provide our school dinners).

On **Tuesday 13th June**, Jane from ISS will be coming into school to conduct a cooking with care session for parents and carers.

Cooking with Care is a short session that helps adults to have a brief overview of food safety. They discuss food safety, storage of food, preparation of food, allergens etc. in a friendly informal setting, with a cup of tea in hand. They use these sessions to get people talking about food and share hints and tips with their peers, as well as having a chef on hand to ask the more in-depth questions. The chef who will be facilitating the session is also there to answer any questions about school meals within Outwood Lofthouse Gate.

If you would like to attend the event, you must sign up using the Google Form below by **Friday 9th June 2023**.

We hope you enjoy the session and thank you for your continued support.

Kind regards,

Miss Clark
