## Profile

Hi my name is Daisy from 5B. I am 10 years old and my favourite colour is rose-gold. I love to watch TV and my favourite show is the Great British Bake Off. My favourite author is Jaqueline Wilson, she is a great writer. I love to read in my room where it is quiet.

Hi, I'm Harriet from 5T. I love to spend time with my family (mum, dad and sister). My favourite food is mac and cheese with banana and custard for dessert. It's great to read on my garden swing, I find it relaxing. My favourite book is boy who grew dragons. I would recommend this book because it is funny and has lots of adventures.

## Book Donation Point

We have relaunched our book donation point in school. Thank you to everyone who has donated already. We are always grateful for any donations of books to share the love for reading. Each week each class has a time slot to choose a book to read for pleasure.

Tweet to show us children reading!

## Poetry Competition

To celebrate World Poetry Day (7th October) the reading ambassadors ran a poetry competition.

Well done to the winners Jessica (UKS2) Jackson (LKS2) and Sophie (KS1)! There were some fantastic entries.

## Pupil Voice

The reading ambassadors have undertaken a survey of what children in their classes would like to be reading.

We have been fortunate enough to purchase some of the books the children suggested.

Happy reading!!

## Class Books

Every half term each year group has a set book to read.

## **The Seed By Eric Carle**

This is a book about the lifecycle of a flower though the adventures of a seed.

## **Best part**

For me, the best part was when the seed grows into a flower after her adventures.

## **What I like about it**

I like it because the children are kind to each other and I love that!
