

8th September 2022

Dear Parents and Carers,

As part of our project work in school this half term we are thinking about 'Me and My Locality' and looking at built and natural environments.

On Wednesday 5th October we would like to go on a little adventure around the area of our school to look at natural and built aspects in our locality.

The local visit form completed when your child started at OPALG covers this, but we wanted to let you know when the walk was taking place.
