Wakefield Hospice Reindeer Run

Dear Parents and carers,

We are excited to take part in the Wakefield Hospice Reindeer Run this year.

All children will be invited to take part and run a set distance in school to raise money for a charity that helps many families within our local area.

The children will each be given a pair of reindeer antlers to wear while they run and chase after 'Santa'. This will take place in an outdoor PE lesson and the children will need no other accessories; just their usual outdoor PE kit (please ensure they have their 'go faster' trainers on!).

Please use the sponsor form given to your child today to gain as many donations as you possibly can. We are a cashless school so any donations should be made via the link below.

<https://wakefieldhospice.enthuse.com/pf/outwood-primary-academy-lofthouse-gate>

Please return the sponsor form to school by Friday, 9th December, 2023. These will then be forwarded onto the hospice.

We look forward to fundraising for this fun and worthy cause.

Thank you for your continued support,

Mrs Carr and School Parliament.
